Don't miss **Fully Charged**SM, the all-new surge of circus entertainment from *Ringling Bros. and Barnum & Bailey*[®] where megawatts of thrills explode off of the arena floor with breathtaking dare-devilry, superhuman stunts and never-before-seen performances that energize *Children of All Ages!*

The most electrifying edition ever of *Ringling Bros.*[®] celebrates performance power that boosts circus-goers excitement. The amazing acts, which can only be seen at *The Greatest Show On Earth*[®], include **Tabayara**, a dynamic animal trainer whose rare ability to communicate with animals allows him to ride rearing stallions at a fully charged gallop and orchestrate majestic four-ton Asian Elephants in a symphony of dance. When he stands inside a cage, eye to eye with twelve ferocious tigers, Tabayara sees family where others see danger.

Audiences will feel the earth shake when the Ukrainian strongman duo of **Dmitry Nadolinskiy** and **Ruslan Gilmulin**, who are as wide as they are tall, enter the arena. The brawny twosome give the word manpower a whole new meaning as they lift large cumbersome telephone poles, which weigh up to half-a-ton, and twirl them above their heads while acrobats balance atop.

The Fearless **Fernandez Brothers** dial up the thrills as they perform daring feats of athleticism on the Twin Turbines of Steel, including, extreme jumps and twists inside the moving wheels! Audiences will crackle with excitement as they watch Guillermo perform a three hundred sixty degree flying forward somersault, three stories in air, a feat so difficult it has only been attempted by one other person in the 141-year history of *Ringling Bros.* **The Human Fuse**, Brian Miser, sets the arena sky ablaze as he rockets through the air from his self-made human crossbow. Don't blink as he flashes across the sky in less than a second, and travels 80 feet at 65 miles per hour.

Ever wonder how many clowns it takes to change a light bulb? The hilarious hoopla continues to flow as the clowns from the world-famous *Ringling Bros.*[®] clown-alley, charge-up the audiences' funny bones with hysterical silly antics and clownish comedy. You can only experience this current of excitement at *Ringling Bros. Fully Charged!* Get your ticket for high-voltage fun today!
